COMMENTS ABOUT YOUR INFORMATION

Thank you for submitting your information for federal student aid to the U.S. Department of Education.

This is your Student Aid Report (SAR) Acknowledgment for the 2002-2003 award year. Keep a copy of this SAR Acknowledgment for your records.

We have processed your application for federal student aid or the correction that you submitted electronically through your school or on the Web. We have displayed the information we received and a summary of the results of processing that information. We may have assumed certain information to calculate your eligibility for federal student aid. We printed any assumptions we made and the word "assumed" for the items affected. You can make corrections by selecting the MAKE CORRECTIONS link and or by contacting your Financial Aid Administrator (FAA) if:

- the assumptions we made are not correct,
- you need to make other corrections, or
- we indicate below that more information is needed to determine your eligibility.

Contact your FAA if:

- we indicate you are selected for verification, or
- we indicate you must work with your FAA to resolve some eligibility issues.

You may not be eligible for a Federal Pell Grant because you reported that you have a Bachelor's degree or are working on a degree beyond a bachelor's degree. However, you may be eligible for other types of aid.

You must work with your FAA to resolve data matching issues that resulted from processing your application before the FAA can determine if you are eligible to receive federal student aid.
